

Announcement of Surat Thani Province

Subject: Intention to administrate on the basis of integrity

The cabinet resolution on October 11, 2017 has consented on the draft of National Strategy for Prevention of Corruption Phase III (2017-2021) under the vision of Zero Tolerance & Clean Thailand. The purpose is to create and expand an anti-corruption behavior in the society, to cultivate an anti-political culture in every public sector, to restrain corruption and administrate by a mechanic of good governance, and to elevate the level of perception of corruption index in Thailand. Moreover, in the 4th strategic issue about the development of proactive anti-corruption system has emphasized on an evaluation of integrity and transparency in public administration as a important strategy to support the anti-corruption policy. The administrator needs to support every sector to work under the basis of integrity and transparency, including shows the intention to administrate on the basis of integrity.

Therefor, in this announcement, the governor of Surat Thani province would like to declare the intention to be a role model in administration on the basis of integrity and transparency and follow the sufficiency economy principle for the head of the government including the central government administrator, regional government administrator, local government administrator, government official and officer in every sector. If the corruption is founded, it will be seriously investigated and punished in order to reach the goal of the National Strategy for Prevention of Corruption.

Please be informed accordingly
